Scharffenberger Cellars Brut Excellence Non Vintage

Recommended for Sush

"This elegant blend of two-thirds pinot noir and one-third chardonnay melds red-fruit richness with classic chardonnay tropical fruit for a balanced, fruit-forward sparkler. Its cleansing character and dry finish made it a match with the tuna and yellowtail as well as with sushi rolls coated in sesame seeds. 'The toasted, nutty character of the wine is a good complement to the toasted sesame seeds,' Mr. Wardlow said. Mr. Pinnell noted that it cuts through pickled ginger very nicely."
